

God Continues to Bless Others Through Car Care Ministry!

12 years of simple diagnostics and repairs at no cost to those in need, not only blesses the people who receive the help, but to those who volunteer on a regular basis to provide the service. It amazes Larry and me how God provides for this awesome ministry. The first Saturday of every month, Mike Higgins, owner of *Metric Motors on Broadway* in Edmond gladly opens his shop from 9:00 a.m. until noon for Godspeed Car Care.

If you see Mike, please tell him "Thank You" for allowing his facility to be used for these purposes. Better yet, recommend his business to others.

What a blessing it is to help women with their car needs, who are trying to start over in life! Many have thanked the volunteers with tears streaming down their faces, knowing that they now have reliable transportation to get to and from work.

Godspeed Receives and Repairs Car Donations

Extensive transportation applications are processed, and when requirements are met, these donated cars are turned over to people who would otherwise not have transportation for their every day needs. From time to time, an automobile may be sold to raise funds to purchase parts to repair other vehicles.

Already in 2008, we are excited to report that we have had the privilege of giving away 6 vehicles to those in need. Praise God!

Many Thanks to our Faithful Volunteers: Rick Bappert, David Crain, Chris Cwiklinski, Donna Elswick, Dan Jensen, George Reynolds, Dave Robertson, Norm Smith, Leo Tytenicz, Noel White and last but not least, the man that organizes everything when we are on the road (and sometimes when we're not), Roger Egleston. *God Bless You!*

Our hearts are warmed with the encouragement received when we run into you at church, or on the street, and certainly when we open our mail and there's a check to help keep this ministry going in the various ways that God has ordained. THANK YOU from the bottom of our hearts! We pray that God will bless you beyond what you can imagine or think.

The 3rd Saturday of the month Car Care is held at the *Godspeed Shop* at the Smiley's 14500 E. Old Hwy 66 just east of Arcadia. Check the web-site for scheduling, because from time to time, we are blessed to hold a *Private Car Care* at the YWCA Battered Women's Shelter.

Larry and I got to see her for the first time in Columbia, SC between the Atlanta and St. Louis NHRA races. Lily's big sister, Caroline Grayce, will be two, 7-27-08. What is it about being a grandparent that makes you think that your grandkids are the cutest, smartest children in the whole world?!
